Arrivals:

1. Upon arrival, aircraft must follow ATC's commands to get to the General Aviation terminal, authorities can be coordinated in the building.
2. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities. Once released they will be handed back.
3. When passengers get off the aircraft, Customs, federal agents, and health-sanitation authorities will board to perform a quick inspection.
4. Passengers must walk into the building to follow the CIQ processes. Please consider all luggage must be unloaded and cannot be inspected without owner's presence (Authorities usually take trained dogs to detect food or any other substances).
5. This process takes around 15-20 minutes depending on the number of operations happening simultaneously at the airport.

Departures:

1. 1. Crew and passengers' passports and luggage will be requested by one of our staff representatives to present them to Immigration and Customs authorities.
2. 2. Luggage will be taken to the X ray machine for a security inspection (Inside the CIQ room).
3. 3. Once finalized they will be allowed to board aircraft, when then our staff will give the paperwork and flight plan to the crew so they can ask for the clearance and then depart from the GAT.
4. 4. This process takes around 15-20 minutes.
5. 5. After the above process is done, aircraft will follow ATC's instructions to take off.
