Arrivals:

1. Upon arrival, aircraft must follow ATC's instructions to enter to General Aviation where international authorities are located.
 2. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities.
 3. The passengers must get off the aircraft to perform the customs and health-sanitation process inside the General Aviation building.
 4. The luggage cannot be inspected without owner's presence.
 5. When the process is over, the aircraft will be towed to JET MACH FBO, passengers can exit through General Aviation.
 6. This can take around 20-30 minutes, depending on the number of operations happening simultaneously at the airport.
- Even if you're coming from another Mexican Airport, you should arrive at the General Aviation apron for an authority's inspection, then, the aircraft will be clear to be towed to the FBO.

Departures:

1. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities, along with their luggage.
2. Once passengers arrive, they will board the aircraft and it will be towed to the General Aviation building. Handbags and briefcases will be checked by Customs and international Health-Sanitation.
3. This process takes around 5 minutes per passenger, depending on the amount of baggage.
4. As soon as this is done, aircraft will be authorized to take off.
