Arrivals:

1. Upon arrival, aircraft must follow ATC's instructions to enter to General Aviation where international authorities are located.
2. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities.
3. When passengers get off the aircraft, Customs, federal agents, and health-sanitation authorities will board to perform an inspection.
4. Passengers must walk into the General Aviation building to follow the CIQ processes. Please consider all luggage must be unloaded and cannot be inspected without owner's presence (Authorities usually take trained dogs to detect food or any other substances).
5. This process may take around 15 to 20 minutes depending on the number of operations happening simultaneously at the airport.

Departures:

1. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration and Customs authorities
2. All luggage will be taken to the X ray machine for a security inspection.
3. Once finalized they will be allowed to board aircraft.
4. This process takes around 15 to 20 minutes.
5. After the above process is done, aircraft will follow ATC's instructions to take off.
