García.

Arrivals:

1. Upon arrival, aircraft must follow ATC's instructions to enter to General Aviation where international authorities are located.
2. Crew and passengers' passports will be required by our staff representative to present them to Immigration authorities. Once release they will be handed back.
3. When passengers get off the aircraft, Customs, federal agents, and health-sanitation authorities will board to perform an inspection.
4. Passengers must walk into the General Aviation building to follow the CIQ processes. Please consider all luggage must be unloaded and cannot be inspected without owner's presence (Authorities usually take trained dogs to detect food or any other substances).
5. This process takes around 30 to 40 minutes, depending of course on the number of operations at the same time in the airport.

Departures:

1. Crew and passengers' passports will be requested by our staff representative to present them to Immigration and Customs authorities.
2. Luggage will be taken to the X ray machine for a security inspection.
3. Once finalized they will be allowed to board aircraft.
4. This process takes around 20 to 30 minutes.
5. Once above process is done, aircraft will follow ATC's instructions to take off.
