Diplomatic arrivals:

1. Upon arrival, aircraft must follow ATC's instructions to enter to assigned hangar or position provided by the airport.
2. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities. Once released they will be handed back.
3. Passengers must walk into the assigned hangar to follow the Customs process. Please consider all luggage must be unloaded and cannot be inspected without owner's presence (Authorities usually take trained dogs to detect food or any other substances).
4. This process takes around 20-30 minutes depending on the number of operations happening at the same time at the airport.
5. Diplomatic passports are exempt from CIQ process.

Diplomatic departures:

1. Crew and passengers' passports and luggage will be requested by one of our staff representatives to present them to Immigration and Customs authorities.
2. Luggage will be taken to the X ray machine for a security inspection.
3. Once finalized they will be allowed to board aircraft.
4. This process takes around 20-30 minutes.
5. After the above process is done, aircraft will follow ATC's instructions to take off.

Cargo arrivals:

- 1 Upon arrival, aircraft must follow ATC's instructions to enter to assigned position provided by the airport.
- 2 Crew's passports will be requested by one of our staff representatives to present them to Immigration authorities. Once released they will be handed back.
- 3 The cargo process can start as soon as they are ready to do so, based on crew's decision to load or unload upon arrival.
- 4 Crew must walk into the main terminal to follow the Customs process (if they stay overnight, otherwise this process will be avoided). Please consider all luggage must be unloaded and cannot be inspected without owner's presence (Authorities usually take trained dogs or an X ray machine to detect food or any other substances).
- 5 This process timing will depend in the size of the cargo being loaded or unloaded.

Note: If cargo is being loaded, please have it released by customs and share the broker details.
