GENERAL RAFAEL BUELNA INTERNATIONAL AIRPORT

Arrivals:

1. Upon arrival, aircraft must follow ATC's instructions to enter to General Aviation, where international authorities are located.
2. Crew's and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities; once released, they will be handed back.
3. Once passengers deplane, Customs, federal agents, and health-sanitation authorities will board to perform an inspection of the aircraft.
4. Passengers must walk into the General Aviation building to follow the CIQ processes. Please consider all luggage must be offloaded and cannot be inspected without the owner's presence (Authorities usually take trained dogs to detect food or any other substances).
5. This process takes around 20-30 minutes depending on the number of operations happening simultaneously at the airport.

Departures:

1. Crew's and passengers' passports and luggage will be requested by one of our staff representatives to present them to Immigration and Customs authorities.
2. Luggage will be taken to the X-ray machine to be cleared by Customs agents.
3. Once finalized, they will be guided to the aircraft by our staff so they can board.
4. This process takes 20-30 minutes.
5. After the above process is done, aircraft will follow ATC's instructions to take off.
