Arrivals:

1. Upon arrival, aircraft must follow ATC's instructions to enter to General Aviation where international authorities and the FBO are located.
2. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities. Once released they will be handed back.
3. When passengers get off the aircraft, Customs, federal agents, and health-sanitation authorities will board to perform an inspection.
4. Passengers must walk into the FBO building to follow the CIQ processes. Please consider all luggage must be unloaded and cannot be inspected without owner's presence (Authorities usually take trained dogs to detect food or any other substances).
5. This process takes around 20-30 minutes depending on the number of operations happening simultaneously at the FBO.

Departures:

1. For the departure, crew and passengers will have to get to FBO facilities to follow the Customs and Immigration process.
2. Once this is over, passengers will be allowed to board the aircraft.
3. This whole process may take around 10 to 15 minutes.
4. After the above process is done, aircraft will follow ATC's instructions to take off.
