Arrivals:

1. Upon arrival, please follow ATC's instructions to get a special position if you are coming from Caribbean, Central or South America regions, once the inspection is done, the aircraft will be parked on the General Aviation apron.
2. Crew and passengers' passports will be requested by one of our staff representatives to present them to Immigration authorities.
3. When passengers get off the aircraft, Customs, federal agents, and health-sanitation authorities will board to perform an inspection of the luggage (they usually take trained dogs to detect food or any other substances). Please consider all luggage must be unloaded.
4. Passengers must walk into the General Aviation building to follow the CIQ processes. Luggage cannot be inspected without owner's presence.
5. The process takes around 20-30 minutes depending on the number of operations happening simultaneously at the airport.

Salidas:

1. Crew and passengers' passports and luggage will be requested by one of our staff representatives to present them to Immigration and Customs authorities.
2. Luggage will be taken to the X ray machine for a security inspection.
3. Once finalized they will be allowed to board aircraft.
4. This process takes around 15-20 minutes.
5. After the above process is done, aircraft will follow ATC's instructions to take off.
